**Purpose:**

To define requirements for New Product labeling

**Standards:**

\*Additional New Product Label (pink, paper label)

1. All new product shipped to DENSO TAC that is ordered by a Delivery Order/PO/Samples must have a pink New Product label on each box.
2. The pink New Product label is to be located as follows:
  - Pink label should be on each side of skid (fork side). If air shipped apply clearly on outside of box. Please refer to a DO# / PO#.
3. Dock 41 Suppliers:  
If shipped under DO# /dock code 41 or PO# use below pink label:

DENSO Manufacturing Michigan Inc.
